Join us for Summer Child Care 2018

Summer hours: Monday- Friday 6:45am-6:00pm

At ACS we provide a safe, loving and fun-filled environment for your child to enjoy all summer long! Our activities include water play, exciting and creative crafts, dress up days, fun and educational visitors (fire & police dept, National Guard and a local magician to name a few). All of this is offered in a Christ centered atmosphere that teaches your child to value others and God's creation. Summer is a wonderful time to highlight science and the outdoors and we take full advantage with nature walks.
