

OPERATIONAL BLUEPRINT FOR SCHOOL REENTRY 2020-21

Updated 7/29/2020

Under ODE’s **Ready Schools, Safe Learners** guidance, each school¹ has been directed to submit a plan to the district² in order to provide on-site and/or hybrid instruction. Districts must submit each school’s plan to the local school board and make the plans available to the public. This form is to be used to document a district’s, school’s or program’s plan to ensure students can return for the 2020-21 school year, in some form, in accordance with Executive Order 20-25(10). Schools must use the [Ready Schools, Safe Learners guidance](#) document as they complete their Operational Blueprint for Reentry. ODE recommends plan development be inclusive of, but not limited to school-based administrators, teachers and school staff, health and nursing staff, association leadership, nutrition services, transportation services, tribal consultation,³ parents and others for purposes of providing expertise, developing broad understanding of the health protocols and carrying out plan implementation.

2. Please list efforts you have made to engage your community (public health information sharing, taking feedback on planning, etc.) in preparing for school in 2020-21. Include information on engagement

¹ For the purposes of this guidance: “school” refers to all public schools, including public charter schools, public virtual charter schools, alternative education programs, private schools and the Oregon School for the Deaf. For ease of readability, “school” will be used inclusively to reference all of these settings.

² For the purposes of this guidance: “district” refers to a school district, education service district, public charter school sponsoring district, virtual public charter school sponsoring district, state sponsored public charter school, alternative education programs, private schools, and the Oregon School for the Deaf.

³ Tribal Consultation is a separate process from stakeholder engagement; consultation recognizes and affirms tribal rights of self-government and tribal sovereignty, and mandates state government to work with American Indian nations on a [government-to-government](#) basis.

with communities often underserved and marginalized and those communities disproportionately impacted by COVID-19.

We have elicited opinions, judgments, conclusions, values, and preferences from parents and school staff via two school-wide surveys delivered using our email list of 554 addresses. We have been involved in collaborative staff deliberations regarding the results of those two surveys, forming conclusions and making preliminary statements of action in compliance with OHA guidelines for reopening procedures. We have presented a draft re-opening plan to both staff and parents for input, and have had one follow up meeting to review suggestions. We presented a Re-Opening Plan, based on this Operational Blueprint, to our school Board. The ACS School Board approved the Operational Blueprint and the ACS Re-Opening Plan on July 19, 2020. We have created a Health & Safety Coordinator (HSC) role who is collaborating with our LHPA and will maintain a close working relationship with that entity. We have created a Custodial Coordinator position to handle the increase in environmental cleaning. We are developing a High-Risk Student Distance Learning Coordinator (HRSDLC) job description and have identified a current staff member to assume that role to handle the specific needs of our “high risk” student population. The HSC will function, along with the Principal, as the primary persons for administering and monitoring the implementation of our re-opening plan. The ACS Board of Directors has reviewed results and conclusions and is part of the decision-making process.

As of March 2020, ACS has not had a school-related case of Covid-19 identified among our students or our staff. We have had one family diagnosed which was traced to a parent work-place of an off-campus distance learner and a Kindergartner. The distance learner has never been on campus and according to our records, the Kindergartner student displayed no Covid-19 symptoms while on campus prior to quarantine.

Therefore, our track record demonstrates that we have the ability to limit the transmission of the Covid-19 virus and as a result ACS will be transitioning our 6-8 grade to on-site learning as soon as a safe two-week-window emerges.

3. Indicate which instructional model will be used.

Select One:

On-Site Learning **Hybrid Learning** **Comprehensive Distance Learning**

4. If you selected Comprehensive Distance Learning, you only have to fill out the green portion of the Operational Blueprint for Reentry (i.e., page 2 in the initial template).
5. If you selected On-Site Learning or Hybrid Learning, you have to fill out the blue portion of the Operational Blueprint for Reentry (i.e., pages 3-16 in the initial template) and [submit online](https://app.smartsheet.com/b/form/a4dedb5185d94966b1dffc75e4874c8a). (<https://app.smartsheet.com/b/form/a4dedb5185d94966b1dffc75e4874c8a>) by August 17, 2020 or prior to the beginning of the 2020-21 school year.

* **Note:** Private schools are required to comply with only sections 1-3 of the *Ready Schools, Safe Learners* guidance.

REQUIREMENTS FOR COMPREHENSIVE DISTANCE LEARNING OPERATIONAL BLUEPRINT

This section must be completed by any school that is seeking to provide instruction through Comprehensive Distance Learning. Schools providing On-Site or Hybrid Instructional Models do not need to complete this section.

Describe why you are selecting Comprehensive Distance Learning as the school's Instructional Model for the effective dates of this plan.

In completing this portion of the Blueprint you are attesting that you have reviewed the Comprehensive Distance Learning Guidance. [Here is a link to the overview of CDL Requirements.](#) Please name any requirements you need ODE to review for any possible flexibility or waiver.

Describe the school's plan, including the anticipated timeline, for returning to Hybrid Learning or On-Site Learning consistent with the *Ready Schools, Safe Learners* guidance.

The remainder of this operational blueprint is not applicable to schools operating a Comprehensive Distance Learning Model.

1c. PHYSICAL DISTANCING

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> ☒ Establish a minimum of 35 square feet per person when determining room capacity. Calculate only with usable classroom space, understanding that desks and room set-up will require use of all space in the calculation. This also applies for professional development and staff gatherings. ☒ Support physical distancing in all daily activities and instruction, maintaining at least six feet between individuals to the maximum extent possible. ☒ Minimize time standing in lines and take steps to ensure that six feet of distance between students is maintained, including marking spacing on floor, one-way traffic flow in constrained spaces, etc. ☒ Schedule modifications to limit the number of students in the building (e.g., rotating groups by days or location, staggered schedules to avoid hallway crowding and gathering). ☒ Plan for students who will need additional support in learning how to maintain physical distancing requirements. Provide instruction; don't employ punitive discipline. ☒ Staff should maintain physical distancing during all staff meetings and conferences, or consider web-based meetings. 	<p>See ACS Covid19 Prevention and Response Plan Addendum 4 for data</p> <p>See ACS Covid19 Prevention and Response Plan Section 1. 1d. COHORTING

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> ☒ Where feasible, establish stable cohorts: groups should be no larger than can be accommodated by the space available to provide 35 square feet per person, including staff. <ul style="list-style-type: none"> • The smaller the cohort, the less risk of spreading disease. As cohort groups increase in size, the risk of spreading disease increases. ☒ Students cannot be part of any cohort, or part of multiple cohorts that exceed a total of 100 people within the educational week. Schools should plan to limit cohort sizes to allow for efficient contact-tracing & minimal risk of exposure. ☒ Each school must have a system for daily logs to ensure contact tracing among the cohort (see section 1a of the <i>Ready Schools, Safe Learners</i> guidance). ☒ Minimize interaction between students in different stable cohorts (e.g., access to restrooms, activities, common areas). Provide access to All Gender/Gender Neutral restrooms. ☒ Cleaning and wiping surfaces (e.g., desks, door handles, etc.) must be maintained between multiple student uses, even in the same cohort. ☒ Design cohorts such that all students (including those protected under ADA and IDEA) maintain access to general education, grade level learning standards, and peers. ☒ Staff who interact with multiple stable cohorts must wash/sanitize their hands between interactions with different stable cohorts. 	<p>See ACS Covid19 Prevention and Response Plan Section 1. 2. Facilities and School Operations

Some activities and areas will have a higher risk for spread (e.g., band, choir, science labs, locker rooms). When engaging in these activities within the school setting, schools will need to consider additional physical distancing or conduct the activities outside (where feasible). Additionally, schools should consider sharing explicit risk statements for higher risk activities (see section 5f of the *Ready Schools, Safe Learners* guidance).

2a. ENROLLMENT

(Note: Section 2a does not apply to private schools.)

OHA/ODE Requirements	Hybrid/Onsite Plan
<input checked="" type="checkbox"/> Enroll all students (includes foreign exchange students) following the standard Oregon Department of Education guidelines.	See ACS Student Admission and Enrollment Policy
<input checked="" type="checkbox"/> Do not disenroll students for non-attendance if they meet the following conditions: <ul style="list-style-type: none"> • Are identified as high-risk, or otherwise considered to be part of a population vulnerable to infection with COVID-19, or • Have COVID-19 symptoms for 10 consecutive school days or longer. 	See ACS Student Admission and Enrollment Policy Section VI.1: COVID19 Exceptions
<input checked="" type="checkbox"/> Design attendance policies to account for students who do not attend in-person due to student or family health and safety concerns.	See ACS Student Admission and Enrollment Policy Section VI.2: COVID19 Exceptions

2b. ATTENDANCE

(Note: Section 2b does not apply to private schools.)

OHA/ODE Requirements	Hybrid/Onsite Plan
<input checked="" type="checkbox"/> Grades K-5: Attendance must be taken at least once per day for all students enrolled in school, regardless of the instructional model (On-Site, Hybrid, Comprehensive Distance Learning).	See ACS Covid19 Prevention and Response Plan Section 2. Response
<input checked="" type="checkbox"/> Grades 6-12: Attendance must be taken at least once for each scheduled class that day for all students enrolled in school, regardless of the instructional model (On-Site, Hybrid, Comprehensive Distance Learning).	See ACS Covid19 Prevention and Response Plan Section 2. Response
<input checked="" type="checkbox"/> Provide families with clear and concise descriptions of student attendance and participation expectations as well as family involvement expectations that take into consideration the home environment, caregiver's work schedule, and mental/physical health. ASSURANCES

This section must be completed by any public school that is providing instruction through On-Site or Hybrid Instructional Models. Schools providing Comprehensive Distance Learning Instructional Models do not need to complete this section. This section does not apply to private schools.

- We affirm that our school plan has met the requirements from ODE guidance for sections 4, 5, 6, 7, and 8 of the **Ready Schools, Safe Learners** guidance.
- We affirm that we cannot meet all of the ODE requirements for sections 4, 5, 6, 7 and/or 8 of the **Ready Schools, Safe Learners** guidance at this time. We will continue to work towards meeting them and have noted and addressed which requirement(s) we are unable to meet in the table titled "Assurance Compliance and Timeline" below.

ACS Covid19 Prevention and Response Plan

Revised 10/30/2020

Introduction

“COVID-19 is caused by a coronavirus called SARS-CoV-2. Older adults and people who have severe underlying medical conditions like heart or lung disease or diabetes seem to be at higher risk for developing more serious complications from COVID-19 illness.”- “While fewer children have been sick with COVID-19 compared to adults, most children with COVID-19 have mild symptoms or have no symptoms at all. “ (CDC.gov)⁴

ACS currently offers on-site instruction five days a week for grades K-3 per the original exception clause allowable in August. Following the new metrics outlined by the governor’s office on October 30, 2020, ACS is planning to offer on-site instruction five days a week for our remaining grades 4-8 with continued health and safety accommodations in place after 14 days of meeting the newest metrics.

The current Plan A, outlined below is based on a “Healthy Only” framework for reopening the ACS campus. The “Healthy Only” framework requires parents and employees to ensure that **only healthy individuals are entering the campus**. To support and enforce this approach, parents will be required to sign a legally-binding waiver of liability and health screening agreement (See page 15 of this document). A “Healthy Only” framework provides the greatest level of "normalcy" but depends on parents, students and employees to remain at home if they display any flu-like symptoms or have been in contact with others who are symptomatic. Violators may lose their privilege to return to campus for the duration of the pandemic.

The school facilities will receive increased levels of cleaning and sanitizing, as well as increased containment of groupings of students for the purposes of contact tracing, which may be required at any time during the school year. However, the disruption to typical classroom routines will be minimized to the greatest extent possible in order to support student and staff socio-emotional health, as well as best-practices of instruction.

For Plan A, ACS will make every effort to provide distance learning accommodations for students with elevated health concerns, but we cannot guarantee these services. If ACS cannot provide these services, students will not have the opportunity for distance learning in Plan A.

Re-Opening Plan at-A-Glance

The list below outlines the basic expectations that will be met ACS re-opens for the first day of school on September 9, 2020 for K-3 and in the near future when metrics are met for grades 4-8. The rest of this entire document provides more detail to daily protocols.

- Parents and staff will sign Waiver of Liability Form
- 5-day on site instruction for K-3 using Seesaw and Zoom if needed;
- 5-day on site instruction for grades 4-8 google Classroom and Zoom if needed
- Daily temperature checks before entering building
- Temperature checks will take place in the vehicle before parent drives away
- Students will enter/exit the building at specific grade level entry and exit doors
- Parents are NOT allowed on campus for drop off.
- Parents will say “goodbye” to student on sidewalk without entering building
- Hand sanitizer personal-size bottles will be provided by parents
- Hand sanitizer stations will be available upon entry for students and staff
- No hot food menus out of the cafeteria
- Masks/shields are required for everyone K-8
- Social distancing in place as much as possible
- Enhanced custodial cleanings
- Electrostatic Spraying for disinfectant purposes
- Create new role Health & Safety Coordinator
- Create new role Custodial Coordinator
- Classroom bottles of sanitizers
- Student personal 2oz. bottle of desk sanitizer supplied by parents
- Water fountains turned off- student personal water bottles supplied by parents
- Water bottle refill station installed
- No music class
- Library/Spanish in classroom
- Computer lab not in use
- No mixing of TEAMS
- \$100 per hour fee to supervise students with fever who are dropped off by parent who drives off prior to temperature check.
- In an effort to remain safe and to keep on site instruction in place, ACS will make a decision to close based on 5 levels of exposure – (See Closure on page 14)

ACS will have 5 levels of closure:

● CLOSURE LEVELS

Level 1

If one student in a classroom contracts Covid, the student will quarantine for 14 days and the teacher will monitor the class for further symptoms. The class will be electrostatically cleaned.

- Sibling(s) of Covid case will be identified and be quarantined as well

Level 2

If multiple students in the same classroom contract Covid, the entire school will close for cleaning and the affected classroom will close and quarantine for two weeks. All other classes will return to school after the cleaning period.

- Distance Learning will be provided for students in the quarantined classes
- No instruction will be provided for students during the cleaning days – “snow days”

Level 3

If any ACS staff member contracts Covid, the entire school will close for cleaning, and the affected classroom will quarantine for two weeks. All other classes will return to school after the cleaning period.

- Distance Learning will be provided for students in the quarantined class
- No instruction will be provided for students during the cleaning days – “snow days”

Level 4

If multiple staff contract Covid in the same classroom, the entire school will close for cleaning and the affected classroom will close and quarantine for two weeks. All other classes will return to school after cleaning period.

- Distance Learning will be provided for students in the quarantined class
- No instruction will be provided for students during the cleaning days – “snow days”

Level 5

If multiple staff contract Covid in different classrooms, the entire school will close for cleaning and will quarantine for two weeks.

- Distance Learning will be provided for students

WAIVER OF LIABILITY AND

Albany Christian School and Willamette Community Church (ACS/WCC) is hereby providing notice to me that it intends to reopen its school program on Wednesday, September 9, 2020. I/we understand that ACS/WCC cannot protect my child/student and/or me from risks, which may be encountered as a result of my child attending the school and/or participating in any school-sponsored program. I/we realize there are natural, mechanical, and environmental conditions and hazards which independently or in combination with any activities engaged in while participating in this program may result in the exposure to certain risks including exposure to coronavirus (COVID-19), or other biological agents, virus or similar bacteriological agent, and the risk of being quarantined, or illness that may result in medical care, hospitalization or death.

I hereby state that I, on behalf of my child/student, myself and my extended family, am an adult, over the age of 18, and legally competent to sign this form. I understand these inherent risks and dangers involved with participation in the school providing their services and acknowledge the existence of risks which are not obvious or predictable, and hereby intend this release to extend to injury or loss which results from both obvious or predictable risks, as well as risks that are unpredictable and not obvious and to extend to myself and my child/student, as applicable.

I hereby agree not to enter the campus of ACS/WCC nor permit my child/student or designated person/s to enter the campus of ACS/WCC if I/they have exhibited or have been in contact with another person who has exhibited any of the symptoms currently listed by the Center for Disease Control and Prevention as Symptoms of Coronavirus within the previous 14 days.

Furthermore, I understand the physical limitations of some of the school classrooms and I agree with the ACS strategy to maintain the 1:24 teacher to student ratio per classroom. I agree that the physical limitations of some ACS classrooms prevent a 35sq.ft. distance per student in the classroom, and I agree to enroll my student knowing these physical limitations.

In consideration of myself and my child/student, I/we, and any legal representatives, heirs and assigns, hereby release, waive, and discharge Albany Christian School, its officers, Board of Directors, employees, agents, and representatives from all liability for any loss or damage, and any claim or damages resulting therefrom, on account of any injury, illness or exposure to and/or contracting the coronavirus (COVID-19) or other biological agents, virus or similar bacteriological agent by me or my child/student attendance at and participation in the preschool and/or afterschool program, including any medical expenses, injury and/or death.

I agree to indemnify Albany Christian School and Willamette Community Church, its officers, directors, employees, agents, and representatives from any loss, liability, damage, or cost that may be incurred due to my child/student participation in the aforementioned program, whether caused by the negligence of ACS/WCC or otherwise. I fully understand, on my behalf and behalf of my child/student, the risks associated with the aforementioned participation and assume any risk associated therewith.

This notice, release and indemnity agreement contains the entire agreement between and among the parties hereto, and the terms of this release are contractual and not a mere recital.

The parties to this agreement hereby agree that the interpretation and enforceability of this Release shall be governed by the laws of the State of Oregon.

I expressly agree that this release, waiver, and indemnity agreement is intended to be as broad and inclusive as permitted by applicable laws and that if any portion thereof is held invalid, it is agreed that the balance shall, notwithstanding, continue in full legal force and effect.

I understand that by signing this agreement, I am giving up on behalf of my child/student, extended family, designated person/s and myself certain legal rights and remedies including the right for my child/student, my extended family, designated person/s, and/or myself, to recover damages in the event of death, personal and/or bodily injury of any kind, property loss or damage, expenses of any nature whatsoever including attorney's fees, and other losses that my student(s) or that I may sustain in association with my child's participation in the program.

Finally, I understand that should the school be required to offer Distance Learning at any time, I will be expected to continue to pay my monthly tuition bill per contracted agreement unless financial aid is offered by the school Board and an alternate agreement is made through the school Finance Department.

I HAVE CAREFULLY READ THE FOREGOING RELEASE AND KNOW AND UNDERSTAND THE CONTENTS THEREOF. I SIGN THIS RELEASE VOLUNTARILY AS MY FREE ACT WITH FULL KNOWLEDGE OF ITS SIGNIFICANCE, INTENDING TO BE LEGALLY BOUND THEREBY.
